 - b. Take Home Fish Assessment Update
5. Agency Updates (30 min)
 - a. EPA (Enforcement program)
 - b. MSRP (Restoration Projects)
 - c. OEHHA (Advisory Update)

Planned Outcomes:

- Engage in dialogue with partners on update topics; determine if follow-up on items is needed
- Provide partners with dates to hold to participate in future update opportunities

**Save the Date For PV Shelf Strategic Planning Meeting:
Thursday, September 25, 2008 at NOAA Office in Long Beach**

Yahoo! Maps - 11277 Garden Grove Blvd, Garden Grove, CA 92843-1337

When using any driving directions or map, it's a good idea to do a reality check and make sure the road still exists, watch out for construction, and follow all traffic safety precautions. This is only to be used as an aid in planning.
